# BARRED IN BARCELONA

It was Wednesday. It was hot, and Sally had been in a terrible mood ever since she had the one night stand with Gil. Her dissatisfaction with her husband Joe was what drove her to Gil in the first place. And after sampling what he had to offer, her life with Joe seemed even more unbearable. She was cursing her horniness and her early marriage, when the phone rang.

"Hi there, Sally. Getting any lately?" The caller didn't have to identify herself. Only Kathy would start a phone call that way. "The heat today is supposed to be a bitch. Why don't you throw on a suit and come over and use the pool?"

Sally took a minute to consider. She hadn't seen Kathy since her night with Kathy's husband, and didn't know if she could face her. On the other hand, she certainly didn't want to sit around the house all day. After some hesitation, she accepted the invitation.

By the time Sally made it over to the pool, the sun was high in the sky. And it wasn't the only thing that was high.

Kathy was sitting by the pool at Barcelona's famous Hotel 1898 with a pitcher of gin and tonics by her side. The pitcher was about half empty and her behavior left no doubt that Kathy could account for the missing amount. "Sally, Sally, Sally. How are you ever going to get a tan in a suit like that? You might as well be wearing a muumuu."

As she looked down at her suit, Sally couldn't really see what Kathy was talking about. Hers was a typical two-piece suit. But when she looked at Kathy's she could certainly see the difference. The suit top was so skimpy as to expose just the beginning of her nipple. You could see a hint of that bright pink circle on each breast. The bottom was even briefer. It was basically two small triangles held together by a piece of string. When she sat down, the material seemed to gather in Kathy's crotch.

"Come on kid. There's nothing like a nice cold drink to help fight the heat."

Not really wanting a drink but wanting to be sociable, Sally accepted the glass. The next couple of hours passed quickly. Sally was in and out of the pool to cool off; she and Kathy gossiped about the neighbors and a hundred other inconsequential things. And it seemed like every time she went into the pool, Kathy refilled her glass.

It must have been about two o'clock when Kathy announced she was taking off her top. "If I don't take this top off, I'm going to have a couple of big white marks on my body." Kathy was just talking away while she reached behind her back and untied the strings. Without the least embarrassment, she simply dropped the top on the side of her chair and lay back with her eyes closed.

Sally hadn't seen bare titties since her high school gym days. The sun seemed to be gleaming off Kathy's skin. Her nipples were a bright pink and stood on the top of her breasts like cherries on two scoops of ice cream. Kathy's tits weren't too big, but they were more than enough. Her skin was smooth and unblemished and exerted an almost magnetic appeal to Sally.

Telling herself to calm down, Sally dove into the pool, hoping the cold water would ease the heat between her legs. As she swam to the far side of the pool, Kathy got up and refilled her glass. Sally was fascinated by the way Kathy's jugs seemed to stand away from her body without the slightest sag. At the same time there was just the hint of a bounce to them as she walked. Once Kathy returned to her chair, Sally got out of the pool and downed her drink in two gulps. Then she laid back and tried to rest.

It may have been the alcohol, but more than likely it was Kathy's bare boobs. Sally

couldn't help but feel some tingling of arousal as she closed her eyes. Sally had never had a lesbian relationship. In fact, she had been a virgin when she married Joe. Gil was the only other sexual partner she had ever had. She began to daydream about what it would be like to make love to another woman. She wondered if Kathy would be as gentle as her husband; if her hands would be softer; if her tongue would probe those places only another woman would know...

Sally was so aroused by the fantasy that she could almost feel Kathy's wet tongue running across her tits, cooling the hot skin. She was so aroused that she moved her hand to massage her breast and instead encountered something else. Opening her eyes, she saw a blonde head hovering over her chest and felt a set of lips nipping at her breast.

Sally shook her head, trying to wake up. Instead, the movement of her upper body dislodged the lips from her boob and Kathy looked up at her neighbor. "You have the greatest nipples. I could suck on them all day long."

"Kathy! What the fuck are you doing? How did... Why?!"

"Relax, Sal. Just sit back and enjoy. It feels good, doesn't it?"

Sally had to admit that the lips had felt good. In fact, they felt very good. But, she still wasn't sure that she should be doing this.

"Come on, Sally. Gil told me about the other night. Now take it easy. I'm not mad or anything. Gil looks out for himself and I try and get mine. But if you get it on with Gil, why not me? I can guarantee you that I can make you feel things Gil couldn't."

Sally was too surprised by what Kathy said to say anything. And besides what Kathy was doing to her felt very good. Kathy knew exactly what she was doing. She would lick and suck until the nipples were standing up like two marines at attention, and then she would begin to chew on them. There's a very fine line between pleasure and pain, and Kathy was able to walk it with skill. Sally thought that she would have to pull her neighbor's head away because it was becoming painful, but then she wanted to leave it there just a little bit longer.

Just when Sally thought she couldn't take any more, Kathy would lighten up and begin licking again. The process went on and on until the bottom half of Sally's suit was so wet that someone would have thought she had been swimming. She wanted to come. She had never been held on the edge like this. Every time she felt ready to come Kathy would change her motion and Sally would simply be held on that plateau.

After an eternity, Kathy raised her head and said, "I don't know about you, but I like my sex in nice, comfortable surroundings. Why don't we head into the hotel and find ourselves a bed?" With that she stood up and held out her hand to Sally. Like a little child, Sally took it and meekly followed her friend into the hotel. Never once did she stop and think how it must look, two grown women,

walking hand in hand across the pool deck with the soft-firm weight of their titties defiantly exposed to the sun.

The hotel lobby was air conditioned and the cool air brought Sally's nipples to new levels of hardness. She didn't seem to notice this though, as she followed Kathy up the stairs and into the same bedroom she and Gil had used.

Kathy took her over to the bed and gently eased her down. Kissing her forehead and gently rubbing her titties, she managed to slowly bring Sally back into that state of arousal/relaxation which she had enjoyed by the pool. Once Kathy was sure she had her primed, she began to slowly move her hand down Sally's belly. Using a circular motion and a whisper-light touch, she gradually approached the cloth-covered pussy area.

Kathy was happy to see that the suit was one that tied at the side. That is, she could loosen it without making Sally move and possibly break the mood. Keeping her lips on her friend's boob and still rubbing her belly, Kathy used her other hand to loosen the strings on the suit. Then, without breaking any motion, she increased the area of her rubbing until she was, little by little, moving the bathing suit material out of the way. With this accomplished, she moved her fingers into the soft folds of flesh her hands had uncovered.

Kathy had used her fingers on herself enough times to know just how to manipulate that little nub of flesh she found. Of course, Sally was so hot by this point that skill had little to do with it. All it took was pressure in the right place and she started spasming. Her hips locked, her body flexed, and Kathy had all she could do to keep her fingers on target as Sally started to come. It was as if a dam had broken. She came and came, and the release was wonderful.

When she finally came down, Sally looked at the blonde with something approaching wonder in her eyes. She had just experienced something she had never felt before. It had been fantastic with Gil and she certainly wasn't about to turn her back on men; but with Kathy it had been so different. Not necessarily better, just different.

Kathy, sensing the feelings of the younger woman, took her in her arms and kissed her. She then moved her head down Sally's body, pausing here and there to lick up the beads of perspiration dotting the brunette's soft skin. Kathy's hand began to work the abundant moisture into Sally's moist love lips, and gradually the blonde's mouth was inching toward the same area. She gently ran her tongue over and through Sally's quivering honeypot.

Slowly, she used her tongue to part the pussy lips, exposing the warm, pink valley underneath. The taste of Sally's love juice was both proof and reward for her efforts. She dipped her tongue into the elastic opening of Sally's cunt and gently ran it around and around.

Kathy sensed that Sally was about to come again. The sweet hole where she had been dipping her tongue began to contract with an erratic rhythm and the juices started gushing onto her tongue. Moving now with a real sense of purpose, she began to use the tip of her tongue to stroke Sally's clit. In part it was a tribute to Kathy's skills that she was able to find the mark amidst all the motion the brunette's hips were making.

Afterward, Sally felt completely drained but with a warm glow pulsating through her body. She sensed—rather than saw—Kathy moving up the bed and felt the warm touch of her skin. Kathy took her in her arms, kissing her gently on the lips. Sally fell into a sex-induced slumber, thinking that the moistness she was tasting on the blonde's lips were her own juices.

She awoke to the sensation of a hand lightly moving over her boob. Opening her eyes, she saw Kathy smiling at her while her hand traced circles on Sally's chest. Pinching a nipple playfully, Kathy told her she had been asleep for about an hour. Looking concerned, she asked if Sally had to hurry out. When informed that Joe wouldn't be back at the hotel till late that night, Kathy smiled.

"Good. Now we can get down to some real sex."

Sally wanted to return the favors, so she stretched and put her hands on Kathy's body. She was simply amazed to realize she was still horny. It didn't seem possible that she was still aroused, but she certainly was. For the first time in her life, Sally put her hand on another woman's breast. The feel of the smooth skin, soft but firm breast, and the hardness of the nipple created a tingling in her clit. She loved the feel of it. Kathy was content to lie back and let the innocent find her own way.

Hesitantly, Sally started to lick the pink circle in the center of the breast. She became aware of the difference in texture as her tongue traveled from rough to smooth to rough again. She also felt a surge of power as the nipple hardened under her caress. Sucking on the hard thimble of flesh, Sally was inspired by the sensation she caused.

The skin was so different from a man's. Her hands couldn't stop moving. They stroked the flesh of the blonde's breast and then moved up and over her shoulders, circling around to linger on the velvety smooth underside of the arm.

Kathy had patiently brought her friend to several climaxes and then allowed her to rest. Now it was her turn. Her body was screaming for the same release she had provided Sally. She tried to curb her impatience but the frustration was too much. Reaching out, she took the brunette's hand and placed it on

her blonde crotch.

Sally was new at this but she was also a woman. She gently parted the silky smooth cuntlips and was fascinated by this, since it was so different from her own shaved snatch.

Watching the progress of her finger, as it rolled Kathy's well-oiled clit around and around, was a sight to behold. The slick pink valley between her thighs was visible and appeared to be throbbing. It didn't take more than a dozen strokes of her finger to bring Kathy the relief she sought. Sally watched another woman having an orgasm, marveling at the flexing of the muscles, the blushing of the skin, and the sounds that accompanied climax.

It didn't take Kathy long to recover. "Don't move. I'll be right back with something you'll love," she promised.

Feeling abandoned, Sally opened her eyes just in time to see the bouncing ass of her friend disappear around the door jamb. Just as quickly she was back, carrying a bottle of hand lotion. Sally frowned as she watched her new lover get back in bed, pouring some of the lotion in her hand. "This is a hell of a time to worry about dry skin."

Kathy smiled. "Just wait. I'll put it right here so you'll know where it is." With that she took her lotion covered hands and smeared them all over Sally's tit. The coolness of the liquid was a shock, which quickly wore off as Kathy began to rub it into those lovely mounds; the slippery feeling of the lubricated skin increased Sally's arousal. She realized her friend was right: She was going to enjoy this!

Kathy's hands were all over the titties and their pink bull's eyes. Sally loved the feeling produced by her nipples slipping through Kathy's fingers. Smiling at the blonde, she reached up and took some of the lotion in her own

hands and began rubbing it into the boobs dangling above her.

This was even better! Using the same motion she had employed earlier, she tried molding the skin, forcing more and more of the weight toward the pink circles at the center of the breast. She had never been so aware of the nerves in her hands. The slipping and sliding of skin against her palms brought more tingling and moisture between her thighs. Trying to pinch Kathy's nipples proved even more fun. The hard flesh just wiggled out from between her fingers.

Kathy was exerting gentle pressure for Sally to turn over. Trusting completely that something enjoyable would come of it, she complied. Slowly, Kathy rubbed some lotion into the shoulders and neck and used enough pressure to mimic a very sexy rubdown. This action encouraged some relaxation on Sally's part, loosening her muscles and sending waves of sexy feelings washing over her. Gradually, the magic hands worked their way down her spine.

If those hands felt good before, they felt even better when they reached Sally's ass. Using her experience and self-knowledge, Kathy started rubbing the fleshy cheeks with the same motion she had used on Sally's titties. Sally had never considered her ass an area of arousal, but then no one had ever treated it this way before. And the massage was causing her asshole to expand and contract; each time the cheeks were forced together the lips of the hole were squeezed shut. When pressure was applied in the other direction, the lips were jerked apart. Each time this happened, little twinges went from her asshole to her clit.

Then she felt something else in the area of her buttock. One of Kathy's hands was still providing a circular massage, but the other hand now had one of its fingers tracing the circumference of that

forbidden entrance. Again the pressure increased, but this was offset by the lubrication provided by the lotion. Sally wiggled her ass, unsure in her own mind whether she was signaling her partner to stop or to continue this new, exciting feeling.

Then, all of a sudden the finger slipped inside the muscle guarding the hole, beginning another circular motion. Sally swung her hips to try and wrench it out, but failing in that, started to grow accustomed to the feeling. She found herself relaxing and flexing to try and draw more of the finger inside. She also realized that the relaxation of this muscle relaxed the ones in front of it. With the loosening of her anal sphincter, her love juices began leaking down her thighs.

Kathy gracefully swung her body over Sally's, at the same time turning her friend over. Now she was in a position to kiss and lap up some of the female dew. Of course this position put her hips over Sally's chest, giving the brunette a clear view of her cunt.

Sally reached out and touched the wet, warm skin between the creamy thighs. She watched as her fingers slid over the glistening surface. Very easily and slowly, she slipped a finger between the fleshy lips and watched as the hungry little mouth that was revealed sucked the invading digit into its cavern. When Sally withdrew her finger it caused the skin to pull out and reveal an even richer shade of interior pinkness. It appeared even slipperier than puffy lips.

Placing her hands on Kathy's hips, Sally signaled her to move backward. With Kathy's cunt now in position, Sally was able to give what she had until now only received. Starting by licking her friend's thighs, Sally discovered that the coating of juices on the skin was sweeter than the icing it resembled. Her tongue seemed to

glide over the soft inner thigh skin and pick up flavor along the way. As she moved toward the inviting pink valley, she felt the damp hairs along the edge pass over her tongue. Playfully pulling on them with her lips, she watched as the skin on the blood-filled entrance pulled down and out.

Since they had both come earlier, they were able to hold off and enjoy the sensations rushing through their bodies. Sally moistened her finger in the juices running from Kathy's squishy pussy hole and began to tease the pink, crinkled asshole that had been winking at her. When Sally pushed the finger home, it sent Kathy over the edge. Sally saw the hotly contracting cunt mouth spasm and then spasm again. Suddenly her mouth filled with a gush of warm liquid as Kathy began to come. She joined her friend in a mutually satisfying orgasm.

**T**hey rolled over on their sides so that they would be more comfortable, but continued to maintain the mouth-to-pussy connection which had given them so much pleasure. Each gently licked the pink crevice of the other. Slowly they came down from the sexual high they had mutually triggered. Gentle tongue caresses helped to maintain the glow of orgasm and prevent too abrupt an ending to such a satisfying experience. Eventually, they slipped around to face each other and gently hold each other in their arms.

Sally was more sexually content than at any other time in her life. As she lazily stroked Kathy's nipple, she realized she had a lot to think about. Her experiences with Gil had convinced her that sex with a man could certainly be pleasurable, but Kathy showed her a whole new world.

She knew that this wouldn't be the last time she had sex with another woman. But for now, she simply wanted to enjoy the ride.

## AT THE GAME

*I opened my mouth to say something when she put a finger to my lips and shook her head. She had a look in her eyes. Both pleading and inviting. My heart pounded in my chest.*

The best experiences are the ones when you just go for it, and it works. That was what happened for me several weeks ago at a football game in Paris. I was there with my brother, who was using the occasion to introduce me to his girlfriend, Rosalie, and her brother. I've never really been one for sports, but my brother is crazy about them. It turns out, he was a little too crazy about them.

As the game went on, our brothers got more and more into it, leaving us girls to get to know each other. She was nice, tall, slender, with shoulder length

blonde hair, exactly my brother's type. Several times, we took a walk, to get snacks, to go to the restrooms, and just to be away from them. She didn't much like sports either but agreed because it was what my brother wanted. It sounded familiar.

By the late part of the game, we had enough of it, though our brothers were determined to stick around until the end. That was when my brother's girlfriend nudged me and led me back up to the concourse, leading into the nearly empty women's restroom. I followed along, but was surprised

when she grabbed my arm, pulled me into one of the larger stalls, and kissed me hard on the lips, pressing me back against the partition.

I gasped when she pulled away, trying to catch my breath. She was wearing a wicked smile, the opposite of the bored one she had on back in the stands. I opened my mouth to say something when she put a finger to my lips and shook her head. She had a look in her eyes. Both pleading and inviting. My heart pounded in my chest. She must have felt it. A moment later, her hand cupped

## AT THE GAME

my boob through the shirt, tracing up toward my heart. I swallowed back my fear and simply leaned back to kiss her.

I've never been exactly the popular girl. Average height and build, short brown hair, it was always my brother who got the dates. Now, to be getting the attention while he was out watching the game... there was something exhilarating in the feeling of his girlfriend lifting my shirt over my head. She quickly and easily undid my bra before taking my breasts and holding them tenderly, her fingertips tracing over the pink, erect nipples.

Her eyes kept on me, a warning to stay quiet, the thrill if we didn't. Carefully, I mirrored her movements, pulling off her shirt. Revealing her large, perky boobs, I leaned my head forward, resting my head on her chest. My tongue flicked its way out as it moved down toward her nipples, playing

with them, getting that first taste.

We heard noises in the bathroom. Other women coming and going. With a smirk, she kept us going, alternating between making out and exploring each other's body. She found her way to the button of my jeans and quickly popped it open. I was relatively freshly groomed, and her hands sliding down sent waves through me that made me claw for something to hold onto, finding nothing but the slick walls. I settled for leaning back and biting my lower lip just as her fingertips made their way to my moist clit.

She waited there, maybe waiting for permission, maybe just teasing me, maybe some of both. Either way, the look in her eye was wicked as she let her fingers slide up inside me. She didn't need to ask how long it had been; the look in my eyes was obvious. I gave the slightest of nods, whether she needed it or not, and

closed my eyes as she went deeper, two, three fingers making their way inside.

She knew what I wanted, what I needed, almost better than I did myself. Her hand was magic inside, finding just the right spots that forced me to bite harder in order to keep from screaming. I barely noticed the other women coming in and out now, entirely within the control of my brother's girlfriend. She drove me like an expert, and when I was on the edge, she seemed to already know and jumped up, several fingers still inside, to kiss me passionately, letting me finally scream out my pleasure into her mouth.

I've started to enjoy going to games with my brother, and he doesn't seem to mind the fact that his sister and girlfriend frequently vanish for long stretches. Given how often we go to games now, I wonder if I'm getting more from his girlfriend than he does.
